NORTHWIND PULSE · PRODUCT OVERVIEW

Revenue intelligence your whole team can use

Pulse turns warehouse data into trusted answers for sales, finance and operations — without a ticket queue.

Answers in seconds

Ask in plain English; Pulse writes the query and shows its working.

Numbers you can trust

Every metric carries lineage and a freshness check.

Live in two weeks

Connectors for 120+ sources and a guided onboarding team.

42%
fewer ad-hoc analyst requests

11 days
median time to first dashboard

99.97%
platform uptime, last 12 months

How it works

1. **Connect** — Link your warehouse and CRM in minutes.
2. **Model** — Certify core metrics once, reuse everywhere.
3. **Ask** — Anyone asks questions in plain English.
4. **Act** — Alerts push changes to Slack and email.

> *“We retired forty recurring reports in the first quarter. Our analysts finally work on the hard questions.”*
>
> — Head of Revenue Operations, Fenwick Foods
